

C2 Unit 8, p. 120 ex.: “one/ones”

1. The big ones in the cupboard over there.
2. I couldn't find the one for your cup.
3. Which one? The small one or the big one?
4. Yes, the ones (those) my mother bakes. I don't like bought ones so much. They don't taste so good.
5. I must buy some new ones. I've seen some nice ones in the small shop in the city centre.
