

### Something to Talk About

People are talkin, talking 'bout people  
I hear them whisper, you won't believe it  
They think we're lovers kept under covers  
I just ignore it, but they keep saying  
We laugh just a little too loud  
We stand just a little too close  
We stare just a little too long  
Maybe they're seeing, something we don't,  
Darlin'

Let's give them something to talk about  
Let's give them something to talk about  
Let's give them something to talk about  
How about love?

I feel so foolish, I never noticed  
You'd act so nervous, could you be falling  
for me?  
It took a rumor to make me wonder  
Now I'm convinced I'm going under  
Thinking 'bout you every day  
Dreaming 'bout you every night  
Hoping that you feel the same way  
Now that we know it, let's really show it,  
Darlin'

Let's give them something to talk about  
Let's give them something to talk about  
Let's give them something to talk about  
How about love?

Let's give them something to talk about  
A little mystery to figure out  
Let's give them something to talk about  
How about love, love, love, love?

Let's give them something to talk about  
Let's give them something to talk about  
Let's give them something to talk about  
How about love, love, love, love?
