

***Pygmalion* – Higgins’s laboratory**

“first floor” (23)

“looking on the street”

“the double doors are in the middle of the back wall”

“in the corner to their right two tall file cabinets at right angles to one another”

“In this corner stands a flat writing-table”

“on which are a phonograph, a laryngoscope, a row of tiny organ pipes ...”

“... tuning forks [...] a life-size image of half a human head, shewing in section the vocal organs”

“first floor”

“Further down the room, on the same side, is a fireplace”

“with a comfortable leather-covered easy-chair at the side of the hearth nearest the door”

“Clock on the mantelpiece”

“between the fireplace and the phonograph table is a stand for newspapers”

“to the left of the visitor, is a cabinet of shallow drawers”

“On it is a telephone and the telephone directory”

“most of the side wall, is occupied by a grand piano, with the keyboard at the end furthest from the door”

“a bench for the player extending the full length of the keyboard”

“On the piano is a dessert dish heaped with fruit and sweets”

“The middle of the room is clear”

“two chairs at the phonograph table”

“there is one stray chair [...] near the fireplace” (23)
